23<sup>rd</sup> March 2020

Dear Parents and Carers

**Accessing your child's learning activities from home**

We have now added copies of the learning activity sheets that we sent out last week to the school website.

You can access these by going to the school website at <https://www.hackbridgeprimary.sutton.sch.uk>

On the Front Page there is a new button under the heading Coronavirus Update called 'At Home School Learning Activities'. Click on this to get to our Curriculum Areas page and then select your child's year group. Inside each year group folder are the activities sent home so far.

The children have their login details for the websites that we subscribe to in their Home-School Contact Books.

We will add further activities in the week after the Easter holidays and weekly going forwards after that.

We are thinking of you all.

The Hackbridge Primary School Team
